New families will bring the courthouse copy of the birth certificate, physical with immunization record, and income verification.

First day of class: Wednesday, August 14

Class Times: Morning class 8:00-10:30 Afternoon class: 12:30-3:00

Paperwork: All families are emailed a link to complete registration. New students only - bring a courthouse copy of your child's birth certificate, recent physical with immunization record, and income verification to the required orientation. Paperwork must be received in order for children to start school.

Bus: Special transportation may be available for students receiving special education services. Bus service is provided as a courtesy for our Preschool for All (PreK) students by the Fieldcrest District. There are shuttle stops at Fieldcrest Intermediate, Fieldcrest Middle School, The Dana Post Office, and the former Rutland Legion. **Please note: there is not a country bus route for preschool - only the shuttle stops.** We will give out bus times and details at orientation. Families must be precisely on time for bus pick up and drop off.

About the Classroom: Amy and I have been a team for a long time. We love teaching preschoolers and creating a family within our classroom. One of our classroom highlights is the integration of technology into the daily routine. The students learn to use our Newline smartboard and love it! We promote family engagement through family projects, lending library check out, and through our "Build a Home Library" program. We will see everyone very soon!

Sincerely,
Miss Sue and Miss Amy
